10 Cu. Ft. Powered Wheelbarrow

Our largest capacity hopper.

Need to move heavy loads? The C27-10A is the electric cart for you. This electric wheelbarrow has our largest amount of hauling space - 10 cubic foot - so load it up! The large hopper makes this the perfect cart for moving concrete, stone or even mulch for your landscaping jobs. This cart can take on up to 750 lbs of material. Twist throttle operation. Locking hinged hopper allows you to quickly and easily dump loads.

7Cu. Ft. & 8 Cu. Ft. Powered Wheelbarrow

Smaller, but still just as mighty.

These carts have just enough room to get the job done. Haul mulch, dirt, stone, livestock feed or bedding. This is a great little cart to use outdoors, or even inside your barns. You can take this powered wheelbarrow places a large front end loader or tractor can't go. Locking hinged hopper for easy dumping. We like to say, "Dump Your Old Wheelbarrow and Drive an Overland!"

9 Cu. Ft. Powered Wagon

One cart, so many uses.

The 9 cubic foot wagon style hopper swings on a hinge to be lifted and dumped. You will be able to haul around up to 750 pounds and not break your back. Simply drive the cart by using the twist throttle and walk behind at up to 2.4 miles per hour. The four wheels make this more stable and much easier to handle than a typical wheelbarrow. Twist throttle operation & hinged hopper.
